## North & West Jackson Transportation Bus Routes

### BUS ROUTES UPDATES (STOP TIME RANGES AND BUS PROCEDURES)

Dear Ambition Prep Families,

Below you will find the updated bus stops and times effective February 1, 2021. These adjustments have been made to make the routes more efficient. We have included a list of bus reminders that can help you as you work to prepare your child's transportation plans. It is important that you know and understand the list below to ensure you remain in compliance with the transportation policies of Ambition Preparatory Charter School.

1. Prompt Arrival at Bus Stop Arrive at least 5 minutes early to your stop.
2. Time Range: Please note that there is a time range posted for each stop instead of an exact time. The bus should arrive within that time range, which allows grace for factors beyond our control. e.g. traffic conditions, inclement weather, and scholar loading/ unloading processes. Once the scholars are loaded/unloaded, the bus will continue the route. (Example: Time Range is 6:05 A.M.-6:15 A.M. If the bus arrives at 6:07 A.M., it will depart once scholars are loaded.) The bus will NOT wait until the end of the time range – and will leave immediately after loading or unloading scholars. You should make sure you are present within the entire time range to ensure that you do not miss the bus.
3. Alternative Pick-Up Locations  
If for any reason you miss your stop, you will have the opportunity to pick up/drop off your scholar at a later stop or the very last stop (refer to the bus route for the bus stops on the route). \*\*Please note that once the bus pulls off, it cannot and will not turn back around, or wait for your arrival. \*\*
4. Students Returned to School Campus  
Students who are not picked up by the last bus stop will return to the school. If a student is returned to the school, the following penalties will take place:
  - o 1st violation: \$0.50 per minute charge accrued starting from the time the bus leaves the last bus stop.
  - o 2nd violation: \$0.50 per minute charge accrued starting from the time the bus leaves the last bus stop.
  - o 3rd violation: 2-day bus suspension and a \$0.50 per minute charge accrued starting from the time the bus leaves the last bus stop.
